Get the Watersports Experience You've Always Dreamed Of

No one ever believes me when I tell them, but I used to be a kick-ass water sports person. No, not **THAT** kind of water sports – although, theoretically I'm sure I'd be great at that too – but the type pulled by a boat, specifically, water-skiing, kneeboarding, wakeboarding and **skurfing**. I could do it all, and won several competitions in water-skiing. I even created a trick, likely never replicated by anyone since due to the high likelihood of having your leg ripped out of its socket if done incorrectly, something I miraculously avoided.

So, while I never get the chance anymore to show off my skills, that doesn't mean I've lost interest. Take for instance, a new web series called Clean Break featuring all sorts of kickass water sports like kayaking, surfing and wakeboarding. If you're in the San Diego, Venice Beach, Kernville, Hood River, Aspen or Orlando areas you could even get the chance to be in one of these videos which is pretty awesome too. Unfortunately, you won't be able to see my talents as there is not a lot of watersports opportunities in Brooklyn.

Actually, there are. Too many in fact. But they are that **OTHER** version.

Anyhoo, here's the first video, featuring wakeboarding in Canada, make sure you watch and then go to **THIS LINK** to submit yourself to maybe be in one of these videos and get an awesome experience to boot.
