If you have ever seen a [LAT34](#) production, you probably think to yourself, “Who the heck gave these guys a gig?” You’re right. Nobody should ever be subjected to watch the things that the guys here produce (“Boones Drinking Contests”, “Trash Digging In The LBC”, “BURNING HIPPIES”) unless you have a severe mental illness. That is why we tend to leave it up to the pros to create something worth watching, especially when it comes to online media content.

Clean Break is a new series developed to find travel and sporting [ADVENTURES](#) around the country. These aren’t your everyday, run of the mill boring activities you would find at your local [TEEN CENTER](#), these are adventures that are once in a lifetime experiences.

The two hosts, J.J. and Brady, were also selected through a YouTube contest. To see how the series has panned out, you can watch the all the episodes on the *Clean Break* Tab on the [FACEBOOK](#) page, as well as get more information on the [INFO](#) tab.

The great part about *Clean Break* is that there are many opportunities for you the reader to get involved. Don't worry it's not like the time we threw a contest that required you to take a photo of yourself in your favorite **BRUNO** ensemble. It's pretty damn simple actually.

All you have to do is go to the **HYDRO EXPERIENCE FACEBOOK** and click "Like". After doing so, come back to this page and write a **POST ON OUR MESSAGE BOARD** who your favorite action sports **ATHLETE** is and your favorite moment of theirs. Continue reading below for further details.
